

LaSalle Stompers Soccer Club 	Community Involvement			Page 1 of 1
	Issued: November 8, 2020	Supersedes:	Approved By: LSSC BOD	

The LaSalle Stompers Soccer Club strives to be active members in our community. We strive to maintain on-going communication and a positive partnership with the Town of LaSalle and members of the community, volunteering our time and services whenever possible.

We have been actively involved with such events as the LaSalle Strawberry Festival, the Strawberry Festival Parade and the LaSalle Beer Festival. We attend Town Hall meetings when appropriate and work closely with councillors, the Director of Culture & Recreation, the Director of Scheduling and the Deputy Treasurer at different times throughout the year.

We have partnered with or have current partnerships with the Diabetes Foundation and Sick Children Foundation, shoes/level playing field and Transition to Betterness.

We offer volunteer hours to all our local students needing community service hours.

LaSalle Stompers is always reaching out and offering help and involvement where needed.
